International Organization Membership Status

U21

(Universitas21)

Founded in 1997, Universitas 21 currently boasts 21 member universities in twelve different countries and territories. It works to enhance cooperation among member universities and promote opportunities that cannot be easily achieved by any single institute alone. Korea University joined Universitas 21 in 2004 as the organization's 17th member. It remains the first and only member from South Korea. In 2009, KU hosted a symposium and the U21 Presidents' Annual Meeting, and pledged its commitment to a joint PhD program among fourteen universities.

<http://www.universitas21.com>

APRU

(Association of Pacific Rim Universities)

The Association of Pacific Rim Universities (APRU), a consortium of leading research universities in the Pacific Rim, aims to foster exchanges and collaboration in research among universities in the Asia-Pacific region. Prominent research universities such as Stanford, UC Berkeley, UBC, Beijing University, Tokyo University, and the National University of Singapore all hold membership in the APRU. Its South Korean members are Korea University, Seoul National University and Yonsei University.

<http://www.apru.org>

ICUBE

(International Consortium of Universities for the study of Biodiversity & the Environment)

The International Consortium of Universities for the Study of Biodiversity & the Environment (ICUBE) is a consortium of global leading research universities designed to promote research and education on biodiversity, climate change, and the environment.

APAIE

(Asia-Pacific Association for International Education)

The Asia-Pacific Association for International Education (APAIE) is a non-profit organization founded in December 2004 by universities in thirteen countries including South Korea, China, Japan, the US (Hawaii), Australia, New Zealand, Hong Kong, Taiwan, Philippines,

Singapore, Thailand, Indonesia, and India. APAIE's goals are to activate exchanges among those responsible for higher education in the Asia-Pacific region and to enhance the quality of international education programs.

VIU

(Venice International University)

Venice International University (VIU) is a global consortium of 19 universities and institutional partners who all share an autonomous campus on the island of San Servolo, Venice Italy, providing an innovative platform transnational education, to build awareness across borders, encourage participation and promote international cooperation.
